The Barney & Barney Foundation Identifies 2010 Grant Recipients
*Foundation established last year by Barney & Barney LLC, one of nation's largest
and longest-standing insurance brokerages*

SAN DIEGO (July 27, 2010) — The Barney & Barney Foundation today announced the eight charities which will benefit from their annual fundraising and grant-giving effort. The Foundation, which was established last year by Barney & Barney LLC in recognition of its centennial anniversary, formalized the company's longstanding tradition of charitable giving.

"Charities and non-profits have been hard hit by the economy. As they struggle to provide the most basic services to those in need, finding ways to support them is more important now than ever," said Paul Hering, Managing Principal and CEO of Barney & Barney LLC, one of nation's largest and longest-standing insurance brokerages. "From preserving an ecosystem to helping families dealing with hardship, the Barney & Barney Foundation's 2010 Grant Recipients are all in need of our help,"

About the Barney & Barney's 2010 Grant Recipients - Founded by the Principals and Associates of Barney & Barney, the Foundation accepts grant nominations once a year from its Associates. The nominations are then reviewed and narrowed down by a committee, after which potential recipients are invited to apply formally. Grant amounts vary year after year, depending on funds raised and the need of the potential recipient.
